

Don't just stick it. Bostik it.

CREATIVE EASTER CRAFT IDEAS FROM BOSTIK...

After a fun-filled, laid-back summer and as the holidays become a distant memory, it is time to turn our thoughts to Easter. As always, the team at Bostik offer a host of creative craft ideas, hints and tips that will help ease the transition from summer to autumn that are associated with Easter. Bostik products make it fun and easy.

Easter Goodie Bags

Perfect for collecting or giving Easter treats, your kids will love these Easter gift bags!

Make one or two small eggs from your favourite colour Crazy Clay. Once dry, cut in half length ways and using Bostik Glitter Glue decorate the eggs with sequins and glitter from the Bostik Bling Bitz Wheel. Once dry stick them onto the purple packet using Bostik Blits Stik Gel. Complete the bag by decorating it with any of the Bostik Glitter Glue pens. For the second bag, stick a cute Easter picture onto the bag using Bostik Glue Stick. Be as creative as you like by decorating the picture with glitter, sequins and pom poms. We used Bostik Clear Gel to glue on the pom pom tail. We decorated the pink bag with paper flowers and glitter. Once the bags have dried completely, place tissue paper inside the bags and fill with yummy Easter eggs, treats and little Easter gifts.

You need:

- * Chocolate or candy eggs
- * Coloured tissue paper
