Half the fun of Easter is in the build up and preparation. Making creative Easter crafts with your kids will bring you hours of joy. With Bostik's innovative range it is so easy ... choose from these fabulous craft ideas...

EGG-CEPTIONAL EASTER ANIMALS:

You and your kids will delight in creating these incredibly cute Easter animals. This craft is quick, easy and lots of fun to make.

BOUNCING BUNNY

What you need:

- Blown egg
- White spray paint
- Two tiny black beads or peppercorns
- A few bristles from a hairbrush or broom
- Cotton wool and polystyrene tray
- Bostik Blits Stik Super Glue Gel

How to make:

- Spray paint the blown egg and set aside to dry.
- Cut out bunny feet, ears and a bean-shaped muzzle from the polystyrene.
- Cut out the insides of the ears from cotton wool and attach to the polystyrene ears, then glue the ears onto the egg with Bostik Blits Stik Super Glue Gel.
- Now attach the muzzle then make two small cotton wool balls and stick these on for the nose and tail.
- Lastly, glue the bristles on for whiskers.

CHEEKY CHICK

What you need:

- Blown egg
- Yellow spray paint
- Two tiny black beads
- Red or orange felt
- Feathers and a large button
- Bostik Blits Stik Super Glue Gel
- Bostik Prestik

How to make:

- Spray paint the blown egg and set aside to dry.

- Cut out the chicken feet, beak and crest from the piece of felt.
- First stick the button on top of the chicken feet with Bostik Blits Stik Super Glue Gel – this will balance the egg - then stick the egg onto the button.
- Now apply a little Bostik Blits Stik Super Glue Gel to the beak and crest and attach to the egg.
- Attach the feathers for the tail.
- Using a blob of Bostik Prestik on the end of a paintbrush, pick up the beads, apply a tiny bit of Blits Stik Gel and attach to the egg for the eyes.

MISS PIGGY

What you need:

- Blown egg
- Pink spray paint
- Two tiny black beads
- Pink felt and pink button
- Pink pipe cleaners
- Paintbrush
- Bostik Blits Stik Super Glue Gel
- Bostik Prestik

How to make:

- Spray paint the blown egg and set aside to dry.
- Wind the pipe cleaner around a thin paintbrush to form a tight spring using the whole pipe cleaner - then snip into 5 sections for the legs and tail.
- Cut two triangles out of the pink felt for ears.
- Glue the ears, nose, legs and tail to the egg with Bostik Blits Stik Super Glue Gel.
- Using a blob of Bostik Prestik on the end of a paintbrush, pick up the beads, apply a tiny bit of Blits Stik Gel and attach to the egg for the eyes.
