

# Go Batty this Halloween!

## You will need:

- A pumpkin
- Florists Wire
- Computer printout
- Bostik Prestik
- Bostik Cut 'n Paste

## Step-By-Step:

1. Print out the template.
2. Cut out the shapes.
3. Cut florists wire to the desired length and insert into the pumpkin.
4. Apply the Bostik Glue Stick to the face shapes and stick onto the pumpkin
5. Use Bostik Prestik to attach the bats to the wire, and also directly onto the pumpkin.
6. Boooooooooooooooooooooo!!!!
